## 400 Children Turn Out for-Big Easter Egg Roll at Normandale

By BILLIE ROBERTSON  
FA 8-5385

How many of you people saw yours truly on T.V. last Monday when Bill Welch was at Roth's Market. My. I received so many groceries and a lovely roasting chicken really helped two other women sing "Happy Birthday" to the Star Shoppers' program as its been running for four years.

At Normandale Playground March 27 a wiener roast was held for all girls who come to the playground. About 35 girls attended this affair and everybody had a wonderful time. Three of us mothers helped Miss Dunbar with the children.

The women's exercise class held a luncheon March 28 after their regular class. Ten women and 20 children attended, with everyone eating the most delicious food prepared by the women. Our instructor, Miss Alice Dunbar, was our gracious hostess.

Our Easter egg hunt and roll at Normandale was a huge success. In fact, so many children came out to hunt what the Easter bunny had left them that the building was bulging at the seams. About 400 children enjoyed a wonderful program of dances, songs and acrobatics. Miss Dunbar and Mr. Hammit had their hands full but they were assisted by some mothers who helped keep the youngsters in tow. Thanks go to the directors for a wonderful time shown to all children.

Mrs. Pete Nicolle, better known in this area as Louisa Davis, is proud to announce that she and her husband and two sons have a new one in their family. A little girl named Deborah Ann has come to live with them. Little Debbie was born March 13 at the Torrance Hospital. Both mother and daughter are at home and doing wonderfully.

Marty Condon is 5 years old. Last Saturday, March 24, Marty, with the help of his mother, Norma Condon, entertained 13 little playmates with a beautiful party complete with all Easter decorations and bunny cakes. Many games were played over at 26831 Halldale where Marty lives with his family.

Mr. and Mrs. Ray Stewart, Sharon, and Dee are very proud people over on Halldale Ave. these days. About a month ago a new heir came to their house and decided to stay. Her name is Vickie and she is adorable in every way and the Stewarts have decided they will keep her.

Pack 228-O had their monthly pack meeting in the new auditorium at the Halldale Elementary School March 27. This pack is under the leadership of Lewis Funk, Cubmaster. The theme for this month is "Fish of the Sea." Den 4 gave a skit under the direction of Den Mother Mrs. Robert Humphrey. The pack is offering to the boys a flag which will rotate to the den who outshines the other dens in uniform inspection. After so many times winning this flag the den will be entitled to keep this award.

## ways to get more customers (and keep your present customers)

Here are three helpful business aids that make it easier for customers to find you—easier for them to buy from you:

See to it that ALL the products or services you offer are listed under proper headings in the Yellow Pages of the new Telephone Directory.

Use business-getting display advertisements in the Classified Section (yellow pages) of the Directory to attract new customers.

Have enough telephone lines to take care of all outgoing calls and still leave open lines so customers can reach you.

The New TELEPHONE DIRECTORY will be published soon

Call our Business Office now for changes or additions to your present listings.
